

Houses Judy has lived in

18 McCallum Ave, Daglish
Western Australia

Bellevue St, North Parramatta, NSW
Second floor flat,
with view to front gate and park across the road

My joy is full, my heart is light,
This Unit fills me with delight.
The outlook's grand, it breathes of home,
And from this place I need not roam.
This building, and it does look fine,
Means much to me, for it's really mine.
The Lord provided for my need,
In thanks, His will I'll always lead.
